About Me

As a passionate video editor, I have both the range of skills and necessary experience to excel in a range of roles. Over 10 years of editing work under my belt, including editing short films, documentaries, corporate videos and social content for a list of satisfied clients. Proficient in the Adobe suite and other industry standard editing softwares. Very passionate about video editing and looking for my next steps to grow my experience and skillset.

Education

2020 - 2023: **The University of Salford**

TV and Radio Production BA (Hons)

First Class Honours

Personal Skills

Video Editing - Over 10 years of experience, used for many projects- both personal and external. Software used includes Adobe Premiere Pro, Avid Media Composer and Davinci Resolve. Very proficient.

Motion Design - Over 3 years of experience, again used for many different projects. Proficient in Adobe After Effects.

Graphic Design - Over 5 years of experience, used for numerous projects, many of which were as a freelancer. Software used includes Adobe Photoshop and Canva. Very proficient.

Camera and Sound Recording - Over 7 years of experience, used for many different types of projects over the years (Sony A7S, Sony Z190, Canon C200, Nikon D810/ D850)

Experience

Freelancer - Video Editor/ Graphic Designer (Feb. 2022 - Present)

Have produced content for numerous clients, primarily YouTube videos, for both big and small channels, graphic design projects including thumbnails and posters, and audio edits for podcasts and YouTube narrations.

World Wide Group - Production Assistant (Sep. 2023 - Mar. 2024)

Worked closely with the production and marketing teams to create content- this involved filming at live events, editing videos for clients and various social media channels, and managing file systems.

Tesco - Store Colleague (Jun. 2023 - Sep. 2023)

Worked as part of the fresh team, responsibilities including managing and putting out stock, taking deliveries, cleaning down aisles and assisting customers where necessary.

Robertshaw's Farm Shop - Store Assistant (Nov. 2019 - Jun. 2020 + Jun. 2021 - Sep. 21)

Worked in the farm shop's butcher section, helping to manage and put out stock, taking deliveries, assist in producing fresh food items, cleaning sections down and serving customers.

Holdsworth House - Food and Beverage Assistant (Dec. 2018 - Nov. 2019)

As part of a team, helped to run events such as weddings through serving food and drink and assisting kitchen staff where needed.

Limehouse TV - Assistant Editor (Work Exp.) (Sep.2018 - Dec. 2018)

Shadowed numerous team members and edited a cut of one of the company's projects.
